

### Child Management Style Scale: Parent

Here are some general statements about raising children. For each one, please circle the number that best describes how much you agree with the statement.

	Strongly disagree	Mildly disagree	Not sure	Mildly agree	Strongly agree
1. Children should be allowed to disagree with their parent if they feel their own ideas are better.	1	2	3	4	5
2. Children should always obey their parent.	1	2	3	4	5
3. Parents should discipline all children in the same manner.	1	2	3	4	5
4. Parents should have friendly talks with children about their interests and experiences.	1	2	3	4	5
5. Parents should respond positively to children's requests for help or attention.	1	2	3	4	5
6. Children should be treated the same regardless of the differences among them.	1	2	3	4	5
7. Preparing for the future is more important for a child than enjoying today.	1	2	3	4	5
8. Children will misbehave unless they are taught what is right.	1	2	3	4	5
9. Parents should teach children to be doing something useful at all times.	1	2	3	4	5
