

Child Management Style Scale: Teacher

Here are some general statements about raising children and teachers. For each one, please circle the number that best describes how much you agree with the statement.

	Strongly disagree	Mildly disagree	Not sure	Mildly agree	Strongly agree
1. Children should be allowed to disagree with their teacher if they feel their own ideas are better.	1	2	3	4	5
2. Children should always obey their teacher.	1	2	3	4	5
3. Teachers should discipline all children in the same manner.	1	2	3	4	5
4. Teachers should have friendly talks with children about their interests and experiences.	1	2	3	4	5
5. Teachers should respond positively to children's requests for help or attention.	1	2	3	4	5
6. Children should be treated the same regardless of the differences among them.	1	2	3	4	5
7. Preparing for the future is more important for a child than enjoying today.	1	2	3	4	5
8. Children will misbehave unless they are taught what is right.	1	2	3	4	5
9. Teachers should teach children to be doing something useful at all times.	1	2	3	4	5
